## Vision for Holistic Healthcare

Dr. Patel is a family physician with a passion for providing holistic individualized aesthetic treatments. After completing her Doctor of Philosophy in Physiology and Medical Degree at the University of Toronto, she completed a residency in family medicine at McMaster University where she gained extensive experience in treating patients of all ages and backgrounds.

Dr. Patel's interest in aesthetics and wellness led her to pursue additional training in cosmetic procedures, including Botox, dermal fillers, Sculptra, microneedling and Platelet-Rich Plasma (PRP). She believes that beauty is more than skin deep and that true wellness involves treating the whole person, both inside and out.

As a family physician, Dr. Patel takes a personalized approach to each patient's care, listening carefully to their concerns and developing customized treatment plans that address their individual needs and goals. She believes in empowering her patients to take an active role in their health and works closely with them to achieve their desired outcomes.

With a focus on natural-looking results and patient safety, Dr. Patel is dedicated to providing the highest quality aesthetic treatments in a comfortable and welcoming environment. She is committed to staying up-to-date on the latest advances in the field and regularly attends conferences and training sessions to expand her knowledge and expertise.
